REMARKS

A Response to the Office Action mailed on November 17, 2005 was filed with the Patent Office on February 17, 2006. However, on April 26, 2006, the Patent Office issued a Notice of Non-Compliant Amendment stating that the February 17, 2006 Response failed to list all of the claims.

By the present Response to Notice of Non-Compliant Amendment, Applicant herein presents all of the application claims. Accordingly, Applicant believes that the February 17, 2006 Amendment is now in proper form and should be entered and considered in this application.

CONCLUSION

The Applicant believes that all pending claims are now in condition for allowance and a Notice of Allowance is requested. If, however, there remain any issues which can be addressed by telephone, the Examiner is encouraged to contact the undersigned at the telephone number listed below.

No fee is believed due with this communication. However, the Commissioner is authorized to charge any fee due to Deposit Account No. 19-2090.

Respectfully submitted,
